Souvenir Playing Cards 2008

This is your chance to become part of history! IWASM is in the process of making its second deck of historical playing cards and you can be a part of it. Each card face in the deck will be sponsored by a museum member, business, family, organization, or anyone who wants to play a part in the deck. This is a great way to advertise your group/organization or just to put your family name on a piece of history.
