

**Wings of Women Cleveland Conference
Saturday, November 10, 2018
9 a.m. to 2 p.m.
Burke Lakefront Airport
Cleveland, Ohio**

Attention All High School Female Students

Please join us November 10, 2018 for a FREE (registration required) conference hosted by the International Women's Air & Space Museum (IWASM) located inside Burke Lakefront Airport. We are the only museum in the world of our kind, preserving the stories and history of female pilots to female astronauts and all those in between. Here at the museum we focus on empowering young minds to dream big and believe they can go into any field of work they choose.

The Wings of Women (WOW) conference is geared towards high school female students interested in pursuing STEM career fields. We bring in professional female mentors from various STEM fields, who spend the day speaking with the students about how they got to where they are today. There are also hands-on activities that go along with each of these fields to help spark further interest. This is a great opportunity for young ladies to be inspired and empowered to pursue whatever their hearts desire.

Upon arrival, a light breakfast will be available and lunch will be provided later in the day. Upon departure, each student will receive a bag of information from various colleges and universities about their select STEM fields.

Applications are required for each student wishing to attend. ***The deadline for applications is November 2, 2018 along with a \$5 reservation fee.*** This fee will be returned upon check-in on the morning of the event. A parent signature is required in order for each student to participate. Incomplete and late applications will not be accepted.

If there are any questions, please contact us, Monday through Friday, between 10 a.m. - 4 p.m. at 216.623.1111 or email kbrinager@iwasm.org.

Thank you,
Katie Brinager
Operations Manager

Wings of Women Cleveland Conference
